As I arrive
(Know that I'll survive)
I have to leave again
Hello, what's your name?
Try to call me insane

Goodbye to the shame
Goodbye to blame
Living without you
Sure ain't easy

From social works
Into a social scene
Hello, what's your name?
Try to call me insane

Goodbye to the shame
Goodbye to the blame
Living without you
Sure ain't easy, Lord

I have often been acquainted
And often had to leave
From school to occupation
From women to children

As I arrive
(Know that I'll survive)
I have to leave again

(Know that I believe)
Hello, what's your name?
Try to call me insane

Goodbye to the blame
Goodbye to shame
Living without you
Sure ain't easy, Lord

From social work
Into a social scene
Hello, what's your name?

Try to call me insane

Good bye to the shame
Good bye to blame
Hello to the flame
Hello to a change

Livin' without you
Sure ain't easy, Lord
Living without you
Sure ain't easy

Hello, what's your name?
Try to play the game
Hello to the flame
Hello to a change

Living without you
Sure ain't easy
Living without you
