Some people are working hard
Working hard on their style
In the back streets of the front line
You see signs of the crimes

Absence make the hard grow fonder
How could patience ever hurt you?
Don't check my status
Just give me the standard thing

Pearls of wisdom
Encompassing pearls of wisdom
Embrace those pearls of wisdom
Good people flow, only Jah will know

Don't wanna see you fall
Just wanna see you set, yes
Don't wanna see you fall
Just wanna see you set, yes

I guess, it's true
What they say about you

Yes, it's true, true, true
What they say about you, well

Poor people, inspiration
Have you seen what's really going on?
With a little leverage
This time, I got more coverage

Absence make the hard grow fonder
How could patience ever hurt you?
'Coz it's virtue
Don't check my status
Just give me the standard thing

Pearls of wisdom
Encompassing pearls of wisdom
Embrace those pearls of wisdom
Good people flow as only Jah would know

Don't wanna see you fall
I just wanna see you set, yes
I don't wanna see you fall
I just wanna see you set, yes
