Met a little girl in London city yeah
When I hear that she sing so pretty yeah
I had to catch a plane
I had to be with her again

Stepping in New York city now
Now I see when she dance so pretty yeah
I got to be her friend
I got to hear her sing yeah yeah
Met a little girl in London city yeah
When I hear that she sing so pretty yeah
I had to catch a plane
I had to be with her again

Stepping in New York city now
Now I see when she dance so pretty yeah
I got to be her friend
I got to hear her sing yeah yeah
