Nobody knows her
Nobody knows her at all
And I ain't wondering why
I love that girl at all

Love, love, love
Love that girl at all

Hey, hey, yeah
Ultra stimulation
Satta vibration
Ultra stimulation
Vital vibration

Anybody's music
Any dance at all
She just loves that dancing music

Late, late, late
Late not dancing hall

What you say?
Ultra stimulation
Satta vibration
Ultra stimulation
Vital vibration

Well, if you're up and if you up we live it up
Well, if you're up and if you up we leave you up

Well, if you're up and if you up we give it up
Well, if you're up and if you up we leave you up

She will guide I will follow
And she test all the swallow
And she cook up a fire
And she take it up stronger

Anybody's music
Any dance at all
She just loves that dancing music

Late, late, late
Late not dancing hall

Hey, hey, hey
What you say?

Ultra stimulation
Satta vibration
Ultra stimulation
Vital vibration

Ultra stimulation
Satta vibration
Ultra stimulation
Vital vibration
