(Finn)

Remove yourself from the past
Wherever you are, you don't have to stay
Old and wise, lion's eyes
I wish you were here to give me advice
Lightweight dream date
Fly or fall, it's my call
In the club, halfway up
Whisky at five, a weekend retreat
Brave and young, the bells have rung
They're playing the tune, I'm tapping my feet
Lightweight dream date

Fly or fall, it's my call
Lightweight dream date
Fly or fall, it's my call
Friend or foe, it's hard to know
I wish you were here to give me advice
Lightweight dream date
Fly or fall, it's my call
Lightweight dream date
Fly or fall, it's my call
