### Verse 1

She be an academy, a blockbuster up on repeat  
A best motion Oscar, no one competes  
Brought back, 3D, sold out seats  
She was born a VHS, but still shelved a new release  
I'm like...

I could watch you for a lifetime (yea, yea)  
You're my favorite movie (you're my favorite baby, yea)  
A thousand endings (uh)  
You mean everything to me  
I never know what's comin' (ho)  
Forever fascinated  
Hope you don't stop runnin' to me (yea, come on, come on)  
'Cause I'll always be waitin' (oh)

### Chorus

You are my cinema  
I could watch you forever (la da, la da)  
Action, thriller (FiO Fuckin Baby)  
I could watch you forever (haha)  
You are my cinema (cinema)  
A Hollywood treasure (la, la, la, la)  
Love you just the way you are (oh, oh, oh)  
My cinema, my cinema, my cinema...

Dra, dra, dra, dra, drop the bass

### Verse 2

Baby, I'm about to, bout to get it in and  
Ba, Ba, Ba, Baby, we about to, bout to commit some sins  
I love you in that lingerie, I love you more in skin  
You are my whole world girl, your my everything, bling

Twinkle Twinkle little star, ba, baby girl that's what you are  
Diamond eyed up in the sky, Lucy girl, you got me high  
Higher than I've ever been, it's time to let the Blu-Ray Spin

Okay now, kill the lights, it's movie night, I'll pop it in!

Stars spell out your name  
Like in a science fiction drama  
Romance growing  
Like a flower in the summer  
You always keep me guessin'  
Forever my wonderful  
Hope you start undressin'  
All my dreams and take me under

Chorus  
You are my cinema  
I could watch you forever  
Action, thriller  
I could watch you forever  
You are my cinema  
A Hollywood treasure  
Love you just the way you are  
My cinema, my cinema, my cinema...

Dra, dra, dra, dra, drop the bass

Verse 3  
So high, like a constellation in the sky  
So Fine, motion picture ratings don't apply  
I love you in that lingerie, I love you more in skin  
You are my whole world girl, you're my everything, sing

I tend to get conflicted, man vs self, nah man vs nature  
If we fight, I just give in, she be the the master debater  
Ba Body of a goddess, built with great dramatic  
structure  
The intros never boring, quite exciting, so I struck her

I rise up into action, why? I love to make her climax  
Forget about the theater, she look better up in IMAX  
My girls a freak in the sheets, she aint coy for me  
I get a Woody when I'm Buzzed, Toy Story!

You are my cinema  
I could watch you forever  
Action, thriller  
I could watch you forever  
You are my cinema  
A Hollywood treasure  
Love you just the way you are  
My cinema, my cinema, my cinema  
My cinema, my cinema, my cinema  
My cinema, my cinema, my cinema  
My cinema, my cinema, my cinema
