[Chorus]

Lost in time (wa oh) I'm lost in time
If we're born to die then why are we alive?
Lost in time (wa oh) I'm lost in time
If we're born to fail then how must we survive?

[Verse 1]

Every step I take, every time I rhyme
I look up to the sky and I wonder why
I just can't be me, I gotta be who?
I just wanna be me, I don't wanna be you

I don't care about what's hot, I'm okay with being stock
Just a neighborhood kid who was brought up on the
block
With 16 other friends, who I chill with now and then
Let my old life end and another begin, I'm so...

[Chorus]

Lost in time (wa oh) I'm lost in time
If we're born to die then why are we alive?
Lost in time (wa oh) I'm lost in time
If we're born to fail then how must we survive?

[Verse 2]

See my mind is in the past, while my body's in the
present
My thoughts are in the future and my clock is counting
seconds
To my D-Day, I pray that I will live forever (hey)
Seize the new day (yes), that I will endeavor

But it's hard to keep this smile, and capture all this
pleasure
When I know that everyone is judging me it makes me
better
Cause I'm following this stream of dreams and I read a
Passage from the bible, she wants it, don't let her, I'm
so...

[Chorus]

Lost in time (wa oh) I'm lost in time
If we're born to die then why are we alive?
Lost in time (wa oh) I'm lost in time
If we're born to fail then how must we survive?
