[Chorus]

Baby, talk to me
How can I understand
If you don't talk to me
And tell me what you're feeling
Talk to me
Give it to me straight
Now before it gets too late

You got me thinking things
I've never felt before
You've got me feeling things
I want to feel some more
Now I want to know
'Cause I'm giving you time
I'm not afraid of waiting if it has to be

[Repeat Chorus]

You've got me right where you want me
You're playing me right
I'm looking for the answers
But there's nothing in sight
I'm tired of using silence as a sign of my strength
I want to hear your voice
I want you desperately

[Repeat Chorus]

I'm acting 17 inside
I'm trying to keep the situation from getting out of line
Now I want to know 'cause I've given you time
I'm not afraid of waiting if it has to be

[Repeat Chorus]

Give it to me straight
Talk to me
