Won't do no good  
To hold no seance  
What's gone is gone and  
You can't bring it back around  
Won't do no good  
To hold no searchlight  
You can't illuminate  
What time has anchored down  
Oh, honey  
(I've gone a)  
Oh, honey  
(I've gone a)  
Oh, honey  
(I've gone away)

Won't do no good  
To sing no love song  
No sound could simulate  
The presence of a man  
Won't do no good  
Asking no questions  
Your divination should  
Acquaint you with the plan

Oh, honey  
(I've gone a)  
Oh, honey  
(I've gone a)  
Oh, honey  
(I've gone away)

My feel for you, boy  
Is decaying in front of me  
Like the carrion  
Of a murdered prey  
And all I want is  
To save you, honey,

or the strength to walk away

Won't do no good to go no distance  
the space between us is as boundless as the dark

Won't do no go to throw no fists, babe,  
You can't intimidate me  
Back into your arms

Because, Honey  
I've gone away  
I've gone away  
I've gone away

I've gone away  
I've gone away  
I've gone away

My feel for you, boy  
Is decaying in front of me  
Like the carrion  
Of a murdered prey  
And all I want is  
To save you, honey  
Or the strength  
To walk away

My feel for you, boy  
Is decaying in front of me  
Like the carrion  
Of a murdered prey  
And all I want is  
To save you, honey  
Or the strength  
To walk away
