Words are flowing out like endless rain into a paper cup,

They slither while they pass, they slip away across the universe

Pools of sorrow, waves of joy are drifting through my open mind,

Possessing and caressing me.

Jai guru de va om

Nothing's gonna change my world,

Nothing's gonna change my world.

Images of broken light which dance before me like a million eyes,

That call me on and on across the universe,

Thoughts meander like a restless wind inside a letter box they

Tumble blindly as they make their way

Across the universe

Jai guru de va om

Nothing's gonna change my world,

Nothing's gonna change my world.

Sounds of laughter shades of earth are ringing

Through my open views inviting and inciting me

Limitless undying love which shines around me like a

Million suns, it calls me on and on

Across the universe

Jai guru de va om

Nothing's gonna change my world,

Nothing's gonna change my world
