oh the periphery  
they throw good parties there  
those peripheral idiots  
always have a bite to bare  
bare it if you can  
if you really want to  
go to the periphery  
have them celebrate your name  
have them (fold?) you a pedigree  
and then you'll be  
let to run the races lame  
run if you want  
if you think it's worth it  
a night with me  
cause i don't appreciate  
people who  
don't appreciate  
all that lovin musta been lacking something  
if i got bought tryin to figure you out  
you let me down  
i don't even like you anymore at all  
oh the periphery  
i lost another one there  
you found a prettier girl than me  
with a more even tempered air  
and if he wants her he should get her  
cause i think you think she's worth it  
or maybe they'll move from the periphery  
buy themselves their own plot of land  
and i care in a different capacity  
i'll just be  
hopin he makes a good family man  
and if he finds himself yearning  
for a stroll on the silly side  
nothing wrong as long as he's learning  
besides he can take it up with his brethren or with his  
bride  
just not with me  
cause i don't appreciate  
people who  
don't appreciate  
all that lovin musta been lacking something

if i got bought tryin to figure you out  
you let me down  
i don't even like you anymore at all  
that lovin musta been lackin something  
if i got bought tryin to figure you out  
you let me down  
i don't even like you anymore at all  
oh the periphery  
oh the periphery  
oh the periphery  
oh the peripheries  
stay away?  
stay away?  
away?  
away?  
??????????
