Once my lover, now my friend  
What a cruel thing to pretend  
What a cunning way to condescend  
Once my lover, and now my friend  
Oh, you creep up like the clouds  
And you set my soul at ease  
Then you let your love abound  
And you bring me to my knees  
Oh, its evil, babe, the way you let your  
grace enrapture me  
When well you know, I'd be insance -  
to ever let that dirty game recapture me  
You made me a shadowboxer, baby  
I wanna be ready for what you do  
I been swinging all around me  
'Cause I don't know when you're  
gonna make your move  
Oh, your gaze is dangereous  
And you fill your space so sweet  
If I let you get too close  
You'll set your spell on me

So darlin' I just wanna say  
Just in case I don't come through  
I was on to every play  
I just wanted you  
But, oh, it's so evil, my love, the way you've  
no reverence to my concern  
So I'll be sure to stay weary of you, love,  
to save the pain of  
Once my flame and twice my burn  
You made me a shadowboxer, baby  
I wanna be ready for what you do  
I been swinging all around me  
'Cause I don't know when you're  
gonna make your move
