I'm so sleepy
But it's not my bedtime
We got bells
The bells, the bells
Keep me awake

I'm a gummy bear
I stand up on the chair
And then I start to dance
To dance, to dance
On the groove
[X2]

But I'm still sleepy
Or am I dreaming?
The bells keep ringing
But I'm awake

I'm a gummy bear
I stand up on the chair
And then I start to dance
To dance, to dance
On the groove
[X2]

I need to be sleeping
'Cause I'm going to be dodging
In the big game
The bells, the bells keep ringing
So keep it down!

Keep it down!
Keep it down!

Keep it down!
Keep it down!

Keep it down!
Keep it down!

Keep it down!

Keep it down!

Keep it down!

I'm a gummy bear
I stand up on the chair
And then I start to dance
To dance, to dance
On the groove

Keep it down!

Keep it down!

Keep it down!

Keep it down!

Keep it down!

Keep it down!

Keep it down!

Keep it down!

Keep it down...

Keep it down!

Keep it down!

Keep it down!

Keep it down!

Keep it down!

Keep it down!

Keep it down!

Keep it down!

Keep it down...
