"Find Your Love"

I'll be ok, go find your love today,
Searching everywhere,
A lot of sunshine's waiting for you.
Don't be afraid,
You'll find your love one day,
Tell me that you do your best for me,
I believe in your faith.
I can see, a burning flame,
It is your future waiting for you.
Hold my hands, and give me your word,
Believe in what you do and you will be ok.
I'll be ok, go find your love today,
Searching everywhere,
A lot of sunshine's waiting for you.
Don't be afraid,
You'll find your love one day,
Tell me that you do your best for me,
I believe in your faith.
