For once in my life I have someone who needs me,  
Someone I needed so long  
For once unafraid I can go where love leads me,  
Somehow I know Iâ€™ll be strong

For once I can touch what my heart used to dream of  
Long before I knew  
Someone warm like you  
You make my dreams come true

For once in my life I wonâ€™t let sorrow hurt me  
Not like itâ€™s hurt me before  
For once I've got someone I know won't desert me  
And Iâ€™m not alone anymore

For once I can say: " this is mine you can't take it"  
As long as I know I've got love I can make it  
For once in my life I have someone who needs me
