Come on brother be strong  
Put the armor of God on  
Struggles not between flesh and blood  
Come on, put on, put on... the armor of God  
Gospel of peace to plant my feet on  
They shield the arrows of the evil one  
Sword of the Spirit, that's the word of God  
It's on, it's on, it's on...the armor of God  
Breastplate of righteousness is on  
Belt of truth is on  
Helmet of salvation is on  
Its on, it's on, it's on  
Gospel of peace I'm standing on  
Shield of faith I'm holding on  
Sword of the spirit I'm ready to swing  
It's on, it's on, it's on
