if i was listening  
and knew i shouldn't be  
made all the threats again  
the pain is deafening  
the jury couldn't win  
and put the verdict in  
like many times before  
they closed the coffin door  
leave it all if you had it before  
turn it out if you wanted it more  
if it was all wrong the first time  
it's the last time  
if i was born non believing  
unbelieving  
he tried to be defined  
and all the childrfen whined  
it killed the last of them  
the king would fall again  
leave it all if you had it before  
turn it out if you wanted it more  
if it was all wrong the first time

it's the last time

if i was born non believing

unbelieving
