This is it
This is what I've waited for so long
Starting out
Gotta trust these feelings coming on
Take a chance
Even though I feel like I should run

CHORUS

Staying with it
Let my heart take me there
Gotta feelin, ooh, I'm goin somewhere
I'm deep in it, and I really do care
Wait a minute now

Boy, don't walk out now

I can see
I can see your disbelievin eyes
Don't you know
Holding back your love is so unwise
Take a chance
Aint it time you turned your love and stayed

CHORUS

CHORUS

Hey there, don't walk out

CHORUS

Baby, don't walk out

Staying with it
Ooh, staying with it
Staying with it
Ooh, ooh, ooh yeah
Staying with it
Don't hold back, cause
Youve gotta take a chance with me

Staying with it

Staying with it ooh, ooh, ooh yeah
Staying with it
Don't hold back, cause
Youve gotta take a chance with me
