It's been a long time baby. Let's make it worthwhile.
Say something cute and show us your new style.
You come back to me and I'm letting you in.
And for awhile life's gonna go again.

It's happened before, so many times that I never do
know.
It's happened again, and again, and again 'till I'm
never quite sure
just how much more I'll endure.

I aint no blind man baby. I can see it'll prob'ly happen
again.
Still feel the same and it'll hurt me again.
It's a sad ol' love song mama, and it, it's askin' for
some.
Up here alone in front of everyone.

It's happened before, so many times that I never do
know.
It's happened again, and again, and again 'till I'm
never quite sure
just how much more I'll endure.

(Saxaphone Solo)

It's happened before, so many times that I never do
know.
It's happened again, and again, and again 'till I'm
never quite sure
just how much more I'll endure.
You talked me into lettin' you go, so many times
before.
I never realy learned to say no to you baby.
Never wanted you just to go, whoa whoa whoa.

Goin' crazy slowly but surely. Goin' crazy slow but sure.
Goin' crazy slowly but surely, baby. Goin' crazy slow but
sure.
I can't, I can't take it. No, I can't, I can't take it.
No, I can't, I can't take it. No, I can't take anymore.
