Someday soon

We're gonna quit this crazy runaround
Pack our bags and steal away

Someday soon

We're gonna find a place and settle down
I'll be coming home someday

I'll be there to kiss you in the morning
I'll be by your side each afternoon
Late at night, our love, like rivers pouring
Loving you someday soon

Someday soon

We're gonna leave this foolish fantasy
Find the strength to let it go

Someday soon

You're gonna see how much you mean to me
Even more than you could know

Now I can see, you can't hang on forever
Even though you love me like you do
Love is all that's keeping us together
I love you someday soon

Someday soon

We're gonna quit this crazy runaround
Pack our bags and steal away

Someday soon

We're gonna find a place and settle down
I'll be coming home someday, someday soon

Someday soon

Someday soon
Someday soon
Someday soon
Someday soon
