## "Staying With It"

This is it  
This is what I've waited for so long  
Starting out  
Gotta trust these feelings coming on  
Take a chance  
Even though I feel like I should run

CHORUS

Staying with it  
Let my heart take me there  
Gotta feelin, ooh, I'm goin somewhere  
I'm deep in it, and I really do care  
Wait a minute now

Boy, don't walk out now

I can see  
I can see your disbelievin eyes  
Don't you know  
Holding back your love is so unwise  
Take a chance  
Aint it time you turned your love and stayed

CHORUS

CHORUS

Hey there, don't walk out

CHORUS

Baby, don't walk out

Staying with it  
Ooh, staying with it  
Staying with it  
Ooh, ooh, ooh yeah  
Staying with it  
Don't hold back, cause  
Youve gotta take a chance with me

Staying with it  
Staying with it ooh, ooh, ooh yeah

Staying with it  
Don't hold back, cause  
Youve gotta take a chance with me
