I'm waking up, the world is turning
The sun is shining again
I'm holding on to things I shouldn't
It's time to let them go

When I've been on a losing streak
Hit so hard I couldn't speak
But when I hear Your voice it fades away

And I can hear You say it's a brand new day
The pain goes away and I'm headed for the door
And I'm going home, I'm going home

Your love it burns away my darkness
You guide me when I'm blind
You are the light that shines inside me
Showing me I'm so much more

When I've been on a losing streak
Hit so hard I couldn't speak
But when I hear Your voice it fades away

And I can hear You say it's a brand new day
The pain goes away and I'm headed for the door
And I'm going home, I'm going home

Take me into Your arms
My home lies within Your heart

And I can hear You say it's a brand new day

And I can hear You say it's a brand new day
The pain goes away and I'm headed for the door

And I can hear You say it's a brand new day
The pain goes away and I'm headed for the door
And I'm going home, I'm going home
I'm going home, I'm going home
