Feeling solid
'Cause I have finally got my feet on
The ground now
You rescued me, You were gravity
I was upside down, down

I've got a fire in my eyes
I'm burning brighter
Than the sunlight
You orchestrated my escape
Now I'm awake
I feel alive for the first time
You ignite
The fire in my eyes

Used to live my life
Locked up inside a room with no door before
You found a window, You broke it
And now I won't be contained anymore

I've got a fire in my eyes
I'm burning brighter
Than the sunlight
You orchestrated my escape
Now I'm awake
I feel alive for the first time
You ignite
The fire in my eyes

Oh, I know you are
The reason I can breathe
Oh, I know you are
The reason I am free

I've got a fire in my eyes
I'm burning brighter
Than the sunlight
You orchestrated my escape
Now I'm awake
I feel alive for the first time
You ignite
The fire in my eyes
