Yesterday I heard Your voice
Whispering through all the noise
I pretended I couldn't hear You

But You kept on pursuing me
And You began to move in me
And I just couldn't hide anymore
I won't fight You

Go ahead
Take what You want to
Take what You need to
Don't let me hold You back

Go ahead
Do what You have to
'Cause I wanna know You
Don't let me hold You back

I'll wear my heart out on my sleeve
If it brings You close to me
Help me leave the life I knew before You

Come inside, erase the shame
Call me by a different name

I won't be the same anymore
God I trust You

Go ahead
Take what You want to
Take what You need to
Don't let me hold You back

Go ahead
Do what You have to
'Cause I wanna know You
Don't let me hold You back

God I was so wrong
To stay away so long
Oh, how I need You

Go ahead
Take what You want to
Take what You need to
Don't let me hold You back

Go ahead
Do what You have to
'Cause I wanna know You
Don't let me hold You back

Go ahead
Take what You want to
Take what You need to
Don't let me hold You back

Go ahead
Do what You have to
'Cause I wanna know You
Don't let me hold You back
