Seven days old in the icu tonight
Little baby boy, they don't want to have to say goodbye
Your mother's on the phone
Your father's in the hall
Prayin' "God,save this life"

He sees you
He's near you
He knows your name
He knows your pain
He sees you and He loves you
He knows your name
He knows your name

Four doors down there's a man who just won't wake up
He crashed so hard
And the doctor's want to pull the plug
Your wife is by your side sayin' "Not tonight"
Prayin' God will just show up.

He sees you
He's near you
He knows your name
He knows your pain
He sees you and He loves you
He knows your name
He knows your name

Maybe you're alone
In a corner of an empty house
Or maybe you're the one
No one notices in the crowd

He sees you
He's near you
He knows your name
He knows your pain
He sees you and He loves you
He knows your name
He knows your name

He knows your name

He knows your name
