You sit beside me
And I love you but I hate you
I don't want to feel this way
But I can't stop

You reach for my hand
But I move it before you can
I won't let you have
The power once again

So help me God
To let this go, to let this go
So help me God
(Become what I believe)
To break this hold
(I'm afraid to leave)
To find myself
(I just need to breathe)

You think you know me
But you changed me
Into somebody
That I don't ever want to be again

I'm letting go now
Of this burden I've been holding
I've been hurting myself
Now for way too long

So help me God
To let this go, to let this go
So help me God
(Become what I believe)
To break this hold
(I'm afraid to leave)
To find myself
(I just need to breathe)

It's not too late
(It's not too late)
It's not too late
(It's not too late)

To leave it all behind
It's not too late
(It's not too late)
It's not too late

So help me God
To let this go, to let this go
So help me God
(Become what I believe)
To break this hold
(I'm afraid to leave)
To find myself
(I just need to breathe)

So help me God
To let this go, to let this go
So help me God
(Become what I believe)
To break this hold
(I'm afraid to leave)
To find myself
(I just need to breathe)
