Is this the whole picture
Or is it just the start?
Is this the way you love me?
You're capturing my heart

I used to try and walk alone
But I've begun to grow
And when You tell me just to rest
I'm finally letting go, I let go

And I'm here to stay
Nothing can separate us
And I know I'm okay
You cradle me gently
Wrapped in Your arms I'm home

I'm seeing so much clearer
Looking through Your eyes
I could never find a safer place
Even if I tried

All the times I've needed You

You've never left my side
I'm clinging to Your every word
Don't ever let me go, don't let go

And I'm here to stay
Nothing can separate us
And I know I'm okay
You cradle me gently
Wrapped in Your arms I'm home, I'm home
I'm wrapped in Your arms

And I'm here to stay
Nothing can separate us
And I know I'm okay
You cradle me gently
Wrapped in Your arms

And I'm here to stay
Nothing can separate us

And I know I'm okay
You cradle me gently
Wrapped in Your arms I'm home, I'm home
