Here I am
At 6 a clock in the morning
Still thinking about you
It's still hard
At 6 a clock in the morning
To sleep without you
And I know that it might
Seem to late for love
All I know

[chorus]
I need you now
More than words can say
I need you now
I've got to find a way
I need you now
Before I lose my mind
I need you now

Here I am
Im looking out my window
Im dreaming about you
Cant let go
At 6 a clock in the morning
I feel you beside me
And i know that it might
Seem to late for love
For love

Guitar Solo

[chorus]
I need you now
More than words can say
I need you now
I've got to find a way
I need you now
Before I lose my mind
I need you now
More than words can say
I need you now

I got to here you say
I need you now
Before I lose my mind
I need you now

I need you now
