I been thinkin about the time before
Every time you leave,
And the pictures that keep playin in my mind;
I declare, I swear, I cant compare,
Simple things we shared,
To the pictures that keep playing in my mind--
I been thinkin about the time before
Every time you leave,
And the pictures that keep playin in my mind;
And every time you smile that smile,
A smile I wont forget
IÃ've pictures of you playin in my mind.
Yeah I been thinkin about the time before
Every time you leave,
And the pictures that keep playin in my mind;
I can guarantee to some degree
Everything you see
Are just pictures that you playin in my mind
I been thinkin about the time before
Every time you leave,
And the pictures that keep playin in my mind;
I declare, I swear, I canÃ't compare;
Simple things weÃ've shared
And the pictures of you playing in my mind.
