I never thought you'd hurt me  
I guess you live and learn  
that when you're playin' with fire  
you're bound to get burned  
I've been mistreated  
I've been used before  
I get kicked in the face  
still I come back for more

But I won't cry no more  
'cause the tears are all in vain  
We can pick up the pieces  
and start it all again  
Let's just get back  
to the way it was before  
Oh girl I can't take anymore

(chorus)  
Baby, don't treat me bad  
Well this could be the best thing  
that you'll ever have  
Baby, don't treat me bad  
Well you can do anything  
but baby, don't treat me bad  
Oh, don't treat me bad

I gave it everything  
but you threw it all away  
I can't take anymore  
of these games that you play

I've been through heartache  
and I've been through pain  
And it's hard to believe  
you still treat me this way

But I won't cry no more  
'cause the tears are all in vain  
We can pick up the pieces  
and start it all again  
Let's just get back  
to the way it was before

Oh girl I can't take anymore

(chorus)

(instrumental)

Oh girl, I can't take anymore

Oh yeah

(instrumental)

Now listen to me

Baby, don't treat me bad

Well this could be the best thing  
that you'll ever have

Baby, don't treat me bad

Well you can do anything

but baby, don't treat me bad

No, don't treat me bad

Don't treat me bad

Don't treat me bad

Oh oh, oh oh oh
