Here I am at 6 o'clock in the morning
Still thinking about you
It's still hard at 6 o'clock in the morning
To sleep without you
And I know that it might seem too late for love
All I know

I need you now, more than words can say
I need you now, I've gotta find a way
I need you now, before I lose my mind
I need you now

Here I am, I'm looking out my window
I'm dreaming about you
Can't let go at 6 o'clock in the morning
I feel you beside me
And I know that it might seem too late for love
For love, oh, oh

I need you now, more than words can say
I need you now, I've gotta find a way
I need you now, before I lose my mind
I need you now, more than words can say
I need you now, I've gotta hear you say
I need you now, before I lose my mind
I need you now
I need you now
