I guess the time was right  
for us to say  
We'd take our time and live our lives  
together day by day  
Make a wish and  
send it on a prayer  
We know our dreams can all come true  
if loving we can share

With you I'll never wonder  
will you be there for me  
With you I'll never wonder  
you're the right one for me

(chorus)  
I finally found a love of a lifetime  
A love to last my whole life through  
I finally found a love of a lifetime  
Forever in my heart  
I finally found a love of a lifetime  
With every kiss our love  
is like brand new  
And every star up in the sky  
was made for me and you  
Still we both know  
that the road is long  
We know that we will be together  
because our love is strong

(chorus)

(instrumental)

(chorus)

(Finally found a love of a lifetime)  
Love of a lifetime  
(Finally found a love of a lifetime)  
Finally found a love  
(Finally found a love of a lifetime)  
Ooh, forever in my heart  
I finally found a love of a lifetime

Ooh ooh ooh
