Here I am  
At 6 a clock in the morning  
Still thinking about you  
It's still hard  
At 6 a clock in the morning  
To sleep without you  
And I know that it might  
Seem to late for love  
All I know

[chorus]  
I need you now  
More than words can say  
I need you now  
I've got to find a way  
I need you now  
Before I lose my mind  
I need you now

Here I am  
Im looking out my window  
Im dreaming about you  
Cant let go  
At 6 a clock in the morning  
I feel you beside me  
And i know that it might  
Seem to late for love  
For love

Guitar Solo

[chorus]  
I need you now  
More than words can say  
I need you now  
I've got to find a way  
I need you now  
Before I lose my mind  
I need you now  
More than words can say  
I need you now

I got to here you say  
I need you now  
Before I lose my mind  
I need you now

I need you now
