Tell me why things ain't like they used to be before?
I don't know why you hurt me but I still come back for
more
Baby I don't know how much more my heart can take
And I don't know how much longer I can stay

They say you don't know what you've got sometimes
until it's gone
Baby don't wait that long so don't take our love for
granted
'Cause you might wind up with no one at all, no one at
all

Baby you know how romance is you don't get no
second chances
And you might wind up with no one at all, whoo yeah

Baby you better look both ways before you cross my
heart
I'm telling you it's your little games that are tearing us
apart
Baby you never find the words I need to hear you say
And I don't know how much longer I can stay

So don't take our love for granted
'Cause you might wind up with no one at all, no one at
all

Baby you know how romance is you don't get no
second chances
And you might wind up with no one at all, yeah

Ooo yeah yeah
They say you don't know what you've got sometimes
until it's gone
Baby don't wait that long so don't take our love for
granted
'Cause you might wind up with no one at all, no one at
all

Baby you know how romance is you don't get no
second chances

And you might wind up with no one at all, no one at all
