Unbelievable

By: FireHouse

Before we met I had my doubts  
Didn't know if love was real  
An extraordinary situation never meant for me  
Read about it, heard about it, saw it on TV  
It all seemed so strange until you made a believer  
outta me

My dreams have come true  
What did I do to deserve someone like you?  
And it's beyond my imagination, like I've won the  
lottery  
What a winning combination and I can't explain how  
much you mean to me

And its Unbelievable how much I love you  
Its unbelievable, can't believe how much I care  
And it's real I'm not imagining, but the very most  
amazing thing  
Is when I hear you say you love me too  
It's unbelievable!

Like Lois Lane and Superman in a comic book romance  
It's a fascinating story, lovers who met just by chance

Superheroes and movie stars are such fantasy  
It seems so unbelievable but their just like you and me

I was lucky to find you  
We have an uncommon relationship its true  
And its beyond my imagination, it defies reality  
You've become my inspiration, and I can't explain how  
much you mean to me

And its Unbelievable how much I love you  
Its unbelievable, can't believe how much I care  
And it's real I'm not imagining, but the very most  
amazing thing  
Is when I hear you say you love me too  
It's unbelievable!

(Repeat Chorus: Key Change )

Unbelievable, Unbelievable, Unbelievable, It's  
Unbelievable
