(I've Got You) Under My Skin

I have got you under my skin
I've got you deep in the heart of me
So deep in my heart you're really a part of me
I've got you under my skin.

I've tried so not to give in
I've said to myself this affair, it never will gone go so
well
But why should I try to resist when baby, I know so well
That I've got you under my skin.

Chorus
I would sacrifice anything come what might
For the sake of holding you near,
In spite of a warning voice comes in the night
And repeats, And shaky's in my ear
Don't you know you blue eyes, you never can win
Use your mentality, wake up to reality"
But each time I do, just the thought of you
Makes me stop before I begin,
Because I've got you under my skin.

big-band instrumental break

Chorus
Sacrifice anything come what might
For the sake of having you near,
In spite of a warning voice that comes in the night
And repeats, And shaky's in my ear
Don't you know you fool, you never can win
Use your mentality, wake up to reality"
And each time I do, just the thought of you
Makes me stop before I begin,
Cause I've got you under my skin.
And I Love you under my skin.
