Chorus: Daz *singing*
What's ya fantasy, what's ya fantasy
What's ya fantasy.. gettin freaky in the night
(repeat 2X)

Say girl.. what's ya fantasy
Do you wanna get with me?
Show me how it's 'sposed to be
Gettin freaky in the night, show me ecstasy
You wanna bust a nut, what about me
Baby what's ya fantasy?
Baby what's ya fantasy?

[Daz] *rapping*
You want your ass and your pussy chewed out
But baby that ain't what I'm about
Let me stick all this in your mouth
Now won't you get freaky, and won't you turn it out
and have visions of the dick and balls getting
swallowed (like that)
Let you swim in, the sperm and no ?
Throw that pussy into a bottle
and let it float to shore, gimme gimme some more

[Storm]
Creamy sweetness while I'm dreamin, got me stuck
between a night of romance and freaky fuckin to
harmonic screamin
Picture perfect on the ceiling, that's only right
Caught you lookin at that action, behind the smile
Settle down, oh you wild child
Hit it, insane spot, like ? glocks
Hit it, stop, hit it hit it, stop, hit it, ahh
That's when you switch to automatic like you really want
it
Cause I been waitin to participate and engage in
multiple comin phases, takin you to Storm-y stages
So what you say nigga, come and play with me
Have you fallin, on your knees, like I'm your savior
Now praise power to the pussies that be runnin the
game

And if you can't swing that shit, then you grounded
main
You need to understand, I need a Thug in my
gameplan
A freaky ass nigga with a big thang

Chorus 1/2
[Daz] Tell em Noble!

[Young Noble]
Hey freaky bitch I love my nuts licked all night
Uh-huh, you know that ain't right
You want a young nigga like, me, to add on to the ?
BLE?
Knock the tent from 11 to 3
We puff a L afterwards, afterwards no words
spoken strokin til the pussy stayed open
Tiffany, claim she missin me, on a late night
Talkin to her friends, sayin dig it that pussy ain't right
Freaks they love to ride it like a mini-bike
on any given night, makin sure she lick it right
Up and down, side to side, all around
in and out, keep some extra bitches in the house
My Thug Passion keeps the Thug Luv everlastin
Double plastic for them double fat asses
What's ya fantasy?

[Daz] What's ya fantasy? What's ya fantasy? What's
ya..

Chorus

[Daz] Said ooh, you got the bomb
[Storm] I got the bomb
[Daz] Bitch you got some bomb ass pussy

[Daz]

She said if you want this pussy you can have this pussy
If you really want this pussy you can have it -- say it

It was a Coupe thing, Coupe thing
Got her thang tonight, it was a Coupe thing
I was in the mood to hurt somethin thick
Thick legs, thick thighs, and real thick hip

It was 2:13 I was in the mix
Singing 'Baby girl, you in the mood for this'
She said 'Hell yea, I'm in the mood for this'
So I whipped it out and let her have this dick, beyotch!

[Napoleon]
Follow me, and you'll watch me grow
Even though we all know I don't love them hoes
Know you're horny, we can gets to fuckin
all a young nigga want is ?

[Young Noble]
To me to be Young in the A-G-E where I gotta
lot of problems that a bitch can't see and I gotta
brand new key to the telly make it slippery
like jelly through some shit, the devil wouldn't tell me
Bend over, find your ankles swallow my nuts while I
spank those
That's what you get, pull your ears, ?
Non-stop, I break you out like a weapon
Now drop, get on your knees come and grab it
beyotch!
Put this Hennesey bottle in your cock
Let your girl hit the top, I love to watch
What's ya fantasy?

[Daz] What's ya fantasy, what's ya fantasy, what's ya
fantasy, what's ya..

[Daz] *singing*
Say girl.. what's ya fantasy
Do you wanna get with me?
Show me how it's 'sposed to be
Gettin freaky in the night, show me ecstasy
You wanna bust a nut, what about me
Bitch what's ya fantasy?
Bitch what's ya fantasy?

Chorus

[Daz]
Let me tell you my fantasy
You want a nigga to beat that pussy up
You know you like that girl
Stop faking like you don't like that

Up and down, side to side
Lollipop, three wheel motion baby
Let's get on the edge of the bed
and let me show you how I hit the switch
on that pussy!

Up and down on that pussy!

Work that pussy
Just work that pussy like you ain't never worked that

That pussy is mine, all mine all mine
All mine all mine all mine all MINE!
All mine all mine all mine
keep repeating 'all mine' to end

Pussy, turn it out some good pussy
