When I See You Smile- Bad English  
Sometimes I wonder  
how I'd ever make it through,  
through this world without having you.  
I just wouldn't have a clue.  
'Cause sometimes it seems  
like this world is closing in on me,  
and there's no way of breaking free, and  
then I see you reach for me

Sometimes I want to give up,  
wanna give in, I wanna quit the fight,  
and then I see you baby,  
and everything's alright.  
Everything's alright

(Chorus)  
When I see you smile  
I can face the world  
Oh you know I can do anything  
When I see you smile  
See a ray of light  
Oh see it shining right through the rain  
When I see you smile  
Baby when I see you smile at me.

Oh yeah

Baby there's nothing in this world that could ever do  
what the touch of your hand can do  
it's like nothing  
that I ever knew.

Hey

And when the rain is falling I don't feel it  
'Cause you're here with me now I want to answer  
baby It's all I'll ever need.  
It's all I'll ever need

(Chorus)  
When I see you smile

I can face the world  
Oh you know I can do anything  
When I see you smile  
I see a ray of light  
Oh I see it shining right through the rain  
When I see you smile baby  
Baby when I see you smile at me.

Sometimes I want to give up,  
I wanna give in, I wanna quit the fight,  
then one look at you baby,  
and everything's alright.  
Hey Everything's alright so right

(Chorus)

When I see you smile  
I can face the world  
Oh you know I can do anything yeah  
When I see you smile  
I see a ray of light  
Oh I see it shining right through the rain Yeah  
When I see you smile  
Yeah I can face the world  
Oh you know I can do anything now  
When I see you smile, oh yeah baby  
When I see you smile

Smile at me
