When I first laid eyes on you
Well, I knew that you were trouble
And you're too good to be true
The second time I looked your way, yea
I knew that you were guilty
It was written all over your face
Well, the way you misbehave is criminal
But it only makes me want you more and more

(You're too bad)
Too bad for your own damn good
(Too bad)
Why you never act just like you should?
(You're too bad)
Too bad for your own damn good
(Too bad)
Too bad for your own damn good

Well, you don't know right from wrong
You keep lyin', cheatin', stealin'
And the list goes on and on
With your evil, wicked, nasty ways
The Devil will catch up with you
And put you in your place
Well, the way you misbehave is criminal
But it only makes me want you more and more

(You're too bad)
Too bad for your own damn good
(Too bad)
Why you never act just like you should?
(You're too bad)
Too bad for your own damn good
(Too bad)
Aaw, too bad for your own damn good

Yee, yee, yee, you're too bad

Hey
You know, you're always upto no good
But I like that

(You're too bad)
Too bad for your own damn good
(Too bad)
Why you never act just like you should?
(You're too bad)
Too bad for your own damn good
(Too bad)
Baby, you are bad, you know that
(You're too bad)
Too bad for your own damn good
(Too bad)
Aow, too bad for your own damn good
Aow, ooo
You're too bad
