Tod:

I'm a bad, bad boy  
Everybody tells me so  
I'm a bad, bad boy  
I get caught with all the wrong faces

Jennifer:

I'm a bad, bad girl  
I read it on the bathroom wall  
I'm a bad, bad girl  
I hang out in all the wrong places

Both:

Take me, take me  
It's alright, you won't break me  
What's if feel like, could it be like  
It's never been before

Tod:

I'm a bad, bad girl  
Everybody says it's true

Jennifer:

I'm a bad, bad boy

Both:

But I ain't even started to be bad yet

Take me, take me

It's alright, you won't break me  
Could it be like, ecstasy like  
It never was before

Tod:

We're going down

Both:

Cause it's a bad, bad world  
Cause it's a bad, bad world  
Cause it's a bad, bad world  
But it's the only one we've got

Jennifer (Tod):  
It's a bad, bad world  
(It's a bad, bad world)  
Always kicks you when you're down  
(Always kicks you when you're down)  
It's a bad, bad world  
(It's a bad, bad world)  
Hmm, you dirty little rat

Both:  
Take me, take me  
It's alright, you won't break me  
Could it be like, ecstasy like  
It never was before

Tod:  
And I need you now

Both:  
Cause it's a bad, bad world  
Cause it's a bad, bad world  
Cause it's a bad, bad world  
But it's the only one we've got

Cause it's a bad, bad world  
Cause it's a bad, bad world  
Cause it's a bad, bad world  
But it's the only one we've got...
