It's okay in a way I just cannot see it
If you take what I have I just can't believe it
Try to sort it all out it's a way of dreamin'

You will keep in the way as a case of sorrow
Try to feel not a thing at least until tomorrow
Give me your medicine if you go, I'll follow

(Follow, follow)
If you go, I'll follow
(Follow, follow)
If you go, I'll follow

(Follow, follow)
If you go, I'll follow

What's that about?

(What's that about?)
What's that about?
(What's that about?)

What's that about?
(What's that about?)
What's that about?

What is that all about? Leavin' me defenseless
Leavin' me with a sight that I just can't let go
It's a thing on my mind if I go, will you follow?

(Follow, follow)
If you go, I'll follow
(Follow, follow)
If you go, I'll follow

(Follow, follow)
If you go, I'll follow
(Follow, follow)
If you go, I'll follow

(Follow, follow)
If you go, I'll follow
