The saddest smile  
Can fill my heart with lies  
To laugh or cry  
That's what it's all about  
I just can't figure out

I said, goodnight  
And hung up the phone  
Stayed up all night  
'Cause I knew, you weren't alone

And all those memories  
Will be my death  
The smell of your presence  
Has stained my bed

I used their love  
To compensate  
The lack of you  
But it's too late

Your pretty eyes  
I'd give my life  
Good reason  
Not to ask me out

So drink up  
And get me drunk  
And let it  
Drag me all around

The saddest smile  
Can fill my heart with lies  
To laugh or cry  
That's what it's all about  
I just can't figure out

The saddest smile  
Can fill my heart with lies  
To laugh or cry  
That's what it's all about  
I just can't figure out
