(Also heard on the Nick Danger "Yolks" video)

Intro:

When you can't stand the pace

In the Big Rodent Race

'Come on in where it's safe

Where the menu is tref... ###- "tref" means "non-kosher"

There's a smell in the air

that reminds you of hair

You've got something to get

and it looks like your pet!

(aren't you hungry ?)

First we take some rat parts

and fry them up real nice..

Then we skin the kitties,

and barbeque the mice!

Bridge:

Guts in a Cup! (Yum!)

Mouse on a Stick! (Wow!)

French-fried Fleas

and Beer-battered Ticks!

Chorus:

Ra-aaat in a box...

(We fry what you won't--)

Ra-aaat in a box...

(We fry what you won't--)

Ra-aaat in a box...

(We fry what you won't...TOUCH!)
