Taste my loneliness but yet surrounded  
Having guilt for these lonely feelings  
Every night the same questions burning in my head  
Keeping me far away from sleep

Happenings in my life wants me to be down  
Maybe I'm better off living on my own  
Far away from friends that I don't want to hurt

Would anybody miss me  
If I went away for a couple of days  
Or would I miss myself too much?

The candle on my floor is getting smaller  
Just like my life's getting shorter  
I can't take much more  
I need something to get it off my mind  
But everybody's better  
And everybody's sorrow is worse than mine

Happenings in my life wants me to be down  
Maybe I'm better off living on my own  
Far away from friends that I don't want to hurt

Would anybody miss me  
If I went away for a couple of days  
Or would I miss myself too much?

But sometimes I feel okay, sometimes  
But sometimes I feel okay, sometimes  
But sometimes I feel okay, sometimes  
But sometimes I feel okay, sometimes

Sometimes I feel okay, sometimes  
Sometimes I feel okay, sometimes  
Sometimes I feel okay, sometimes  
Sometimes I feel okay, sometimes
