Words pierce through the air they make you wear  
To get you in a straight jacket label with your face  
Turned to the wall  
This place penetrates  
When everyone that ever tries to tell you  
That you're not the same  
Watches you fall

You're pushing on the wall inside  
You're pushing outside to find the...

Reasons you run from this place  
When they label you (Pushing on the wall inside)  
Reasons to run from this place  
When they label you (Pushing on the wall inside)  
You're inside

Thinking of everyone you ever knew  
When they put you outside the seperating wall  
I can see you  
Standing there waiting for the answer  
To the reason know one operates the way you do  
Your point of view

You're pushing on the wall inside  
You're pushing outside to find the...

Reasons you run from this place  
When they label you (Pushing on the wall inside)  
Reasons to run from this place  
When they label you (Pushing on the wall inside)

Every day that they can't see  
Afriad of what they might find  
In the way of what they see  
Afraid of what's inside of you

Reasons you run from this place  
When they label you (Pushing on the wall inside)  
Reasons to run from this place  
When they label you (Pushing on the wall inside)

You're inside

Label you (Pushing on the wall inside)

You're inside...
