I told your face it looked like hell
You slapped me red and ran away
Said you'll never come back
While I'm around

I said I'm sad
I'm sad it's at
I'm sad it's at
I'm sad it's at your birthday

I wanted you the best of time
And not a screwed up little lie

Said you'll smash me through
Whatever I said

I said I'm sad
I'm sad it's at
I'm sad it's at
I'm sad it's at your birthday

The monstersong is what I sing
When I'm alone
Is what I sing when I'm alone
The monstersong

When I'm alone
The monstersong is what I sing
The monstersong is what I sing
When I'm alone
