(Sung to the tune of "Back in the Saddle, again")

The Whisperin' Squash[singing]:

Back from the Shadows again !

Out where an In-jun's your friend!

Where the veg'tables are green,

And you can pee into the stream!

Yes, we're back from the Shadows again!

Reprise (Whisperin' with others):

We're goin' back to the Shadows again !

Out where an Indian's your friend!

Where the vegetables are green,

And you can pee right into the stream!

(And that's important!)

We're back from the Shadows again
