It's all over
It's all over now
The seal is broken
Creatures spoken now
I hope you come up
To heaven right now

It's all over
It's all over now

Can I be changed?
Or am I the same?

It's all over
It's all over now
The roof of hiding
With children fighting now
i hope you come up to heaven right now
It's all over
It's all over now

Can I be the same?

The rain is falling
The rain is falling now
Today were leaving
Our souls are calling now
Stars on his right
Holding seven right now
The rain is falling
The rain is falling now

Can I be changed?
Or am I the same?

It's all over
It's all over now
The roof of hiding
With children fighting now
I hope you come up to heaven right now
It's all over
It's all over now

Can I be the same?

The same....

Or can I be changed?

It's all over

It's all over now

The roof of hiding

With children fighting now

I hope you come up to heaven right now

It's all over

It's all over now

Can I be the same?

Well, can I be the same?

The same

The same

Can I be changed?
