5 songs I've wasted
I wrote for you
8 lines too many
more than you deserve
more than I ever told you

I got six strings
yeah to fix things
to put me together again
for the broken
for the broken hearted
now I've started
damn what hope
it unwinds things
never re-live you again
I got six strings
I got six strings

1 year in waiting
I made it through
twelve hours debating
10 days since I last saw you

I got six strings
yeah to fix things
to put me together again
for the broken
for the broken hearted
now I've started
damn what hope
it unwinds things
never re-live you again
I got six strings
I got six strings

they won't love you
like I would do
they won't love you
like I used to

I got six strings

yeah to fix things
to put me together again
for the broken
for the broken hearted
now I've started
damn what hope
it unwinds things
never re-live you again
I got six strings
I got six strings

6 close my eyes
5 times you lied
for reasons you spoke softly
3 small truths
to prove we're though lay loudly
