Oh my engine's burning
.the star to the underworld
no, sympathy for the .
'cause I've been.before
You are my pride
that .I try
I will be long gone tomorrow
and you will never ask me why
I shine the star behind my sorrow
what silver you it cause will .

I am your.
before his eyes disappear
I have the .shine
true hear the song .
You are my pride
that .I try
3 x
I will be long gone tomorrow
and you will never ask me why
I shine the star behind my sorrow
what silver you it cause will .
oh yeah
